COMPANY INFORMATION

INTRODUCTION

At Custom Sports Wears, we bring your vision to life with high-quality custom clothing for Businesses, Sports Wear, Boxing/MMA Wear, Work Wear, Fitness Wear, Cycling Wear, Motorbike Wear, Fashion Wear, and Leather Wear. No minimum order limits and free samples are available to test our quality, size, and materials

OUR COMMITMENT TO QUALITY

We take pride in producing the majority of our products in Pakistan, a country renowned for its exceptional craftsmanship in sports goods and garments. We ensure ethical production practices, including no child labor, and adhere to international standards

CUSTOMIZATION TO SUIT YOUR NEEDS

We offer a diverse range of products tailored to your specific requirements. Whether it's sports, leisure, or school wear, our items can be customized with your own badge, color, cut, emblem, embroidery, label, logo, pattern, print, size, and more. Our services cater to companies, clubs, events, labels, stores, and teams, ensuring you receive products that perfectly match your brand and needs

OUR BUSINESS AIM

Customer satisfaction is at the heart of our business. We are dedicated to exporting only the best quality products and meeting our customers' individual needs. Our commitment to excellence has earned us loyal customers worldwide, rewarding us with their trust and continued business

OUR CUSTOMERS

We serve a diverse clientele, including wholesalers, retailers, teams, clubs, sports and fashion shops, online stores, and international customers. Our aim is to provide top-notch products at competitive prices

COMPETITIVE PRICING

We offer low prices without compromising on quality. Our bulk discount prices enable you to achieve high margins with our products. Recent market research shows that our prices are significantly lower compared to brands of similar quality in Europe, offering you a profitable advantage

SHIPPING AND DELIVERY

We provide multiple shipping options from Pakistan, including postal parcel, mail, courier, cargo, or sea freight. For smaller to medium-sized orders, we work with international forwarding companies such as DHL, EMS, Federal Express, and Pak Postal Service. Our reliable cargo agent, Blue Lines Logistics, ensures correct packing and delivery to your doorstep or airport, accompanied by all necessary export and import documents

NO HIDDEN DELIVERY COSTS

Our product prices are "ex works," meaning they do not include transport costs. We charge only the actual shipping costs based on your chosen method. Along with our invoice, you will receive a copy of the forwarder's shipping invoice

Welcome to Custom Sports Wears: Where Passion Meets Performance. Embrace the journey, push beyond limits, and redefine greatness with every step. Explore our world of top-notch sportswear and elevate your game to new heights

OUR PROCESS

SUBMIT YOUR DESIGN

Transform your vision into reality with Custom Sports Wears. Whether you have a specific design file or just a concept in mind, we're here to help. You can

Upload Your Design Files: Share your ready-made designs with us for customization

Share Your Idea: Describe your concept, and our skilled design team will create a custom design tailored to your needs

RECEIVE A FREE QUOTATION

Once we receive your design or concept, our team will

Prepare a Free Quotation: Based on your requirements, we will provide you with a detailed quotation at no cost

Review and Approve: You can review the quotation and agree to the terms. If you have any questions or need adjustments, we are here to assist

FINALIZE THE ORDER

After you approve the quotation, the next steps are

Advance Payment: We require a 60% advance payment to begin the production process

Start Production: Once the payment is received, we will start working on your design/order

DESIGN OPTIMIZATION

After receiving your initial layout, our design team will

Make It Print-Ready: Ensure your design is optimized for printing

Facilitate Change Requests: Work with you to incorporate any changes or modifications

Share Final Proof: Provide a final version for your approval before moving to production

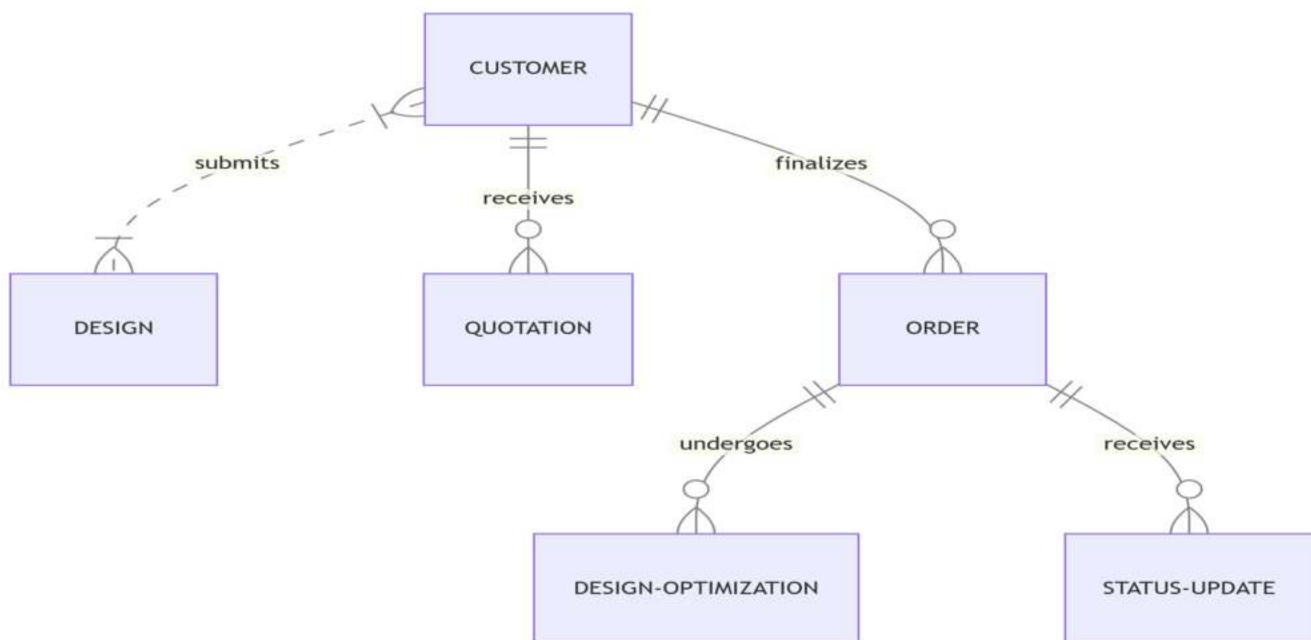

STAY INFORMED

We believe in keeping you updated throughout the entire process. Here's what you can expect

Regular Updates: Receive timely updates on the status of your order

Final Product: Once your custom-made product is ready, we'll inform you and prepare it for shipping

Share Your Experience: We'd love to see your custom sportswear in action! Snap a photo and share it with us to showcase your unique style

At Custom Sports Wears, we believe in the power of perseverance and passion. Gear up, push your limits, and let your dedication shine through every challenge. Your journey to greatness starts here

WHAT MAKES US DIFFERENT?

NO MINIMUMS

Unlike other sportswear manufacturers, we don't deal in only bulk orders. You can ask for a single item order and get a customized product at a price comparable to branded products

COMPLETE CONTROL

You control the price as we offer progressive discounts based on your order size. With dozens of style options and size charts, you can experience unparalleled control over your custom sportswear order

SMART PRODUCTION

To uphold our commitment to world-class export-quality sports kits, we have in-house design, manufacturing, and printing facilities. No integral process is outsourced to third parties

STELLAR TEAM

With decades of experience and a singular goal of making mass customization mainstream, you will find a helpful partner every step of the way with Custom Sports Wears

FABRIC SELECTION

Your dedicated representative will initially help you select the best fabric for your product. We offer custom fabric development with minimum orders as low as 300 KGs per color

CUSTOMIZATION

At this step, all changes in terms of printing, add-ons, and modifications are executed effectively

CUT & SEWING

Once the fabric is selected, it is sent for cutting and sewing to ensure the quality of the product is never compromised

LABELING

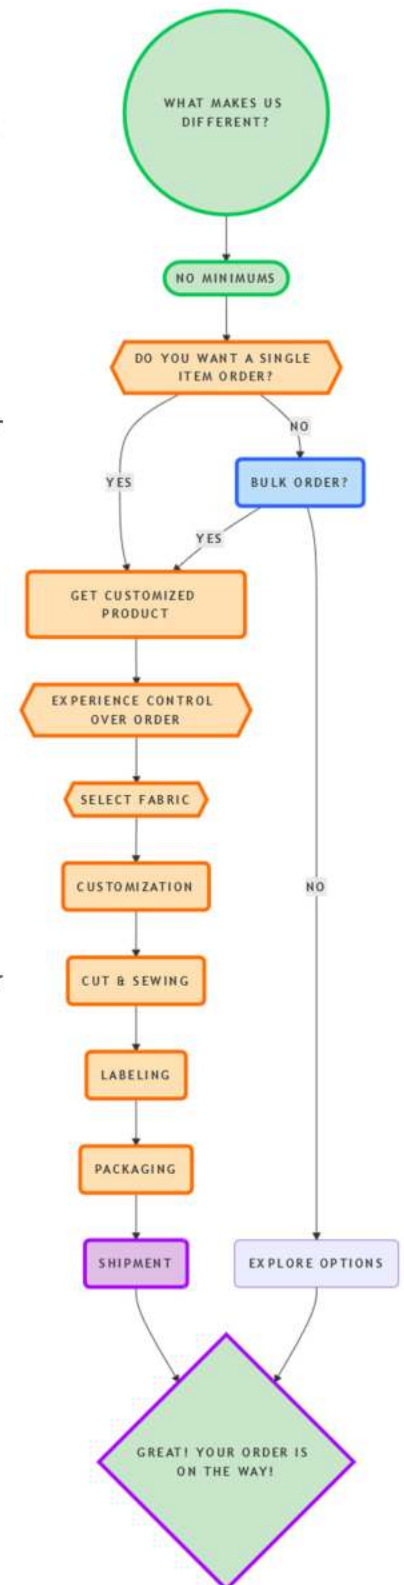

After finalizing your product, we ensure every piece is labeled before being sent to the packaging department

PACKAGING

The final product is ironed, folded with care, and packed in the packaging of your choice to give it a premium look

SHIPMENT

Once the order is packed and ready, it is shipped to your location with minimum shipping time
